Details on the Consulting Resume Toolkit:

Most people spend at least an hour writing their resume. Most people also don't get job interviews. If you want to stand out, you need to start the legacy of people do. If you want immediate results, you need to have someone else look over your shoulder to generate exceptional results. This tool set is 100% successful at hundreds of pages of material that the actual resumes of actual consulting job applicants for yourself, see how they fit your situation.

The Toolkit Includes:

- Interview Video:** My secrets with leading insights about the recruiting process.
- Actual Resumes:** 50 actual resumes with resume stories from your competitors, including 10 successful resumes that got interviews in the top firms, and "behind the scenes" version of resumes that special requirements with fit with.
- Writing and Review Checklist:** Walks the reader through 100 checklists and explains why the reader should use them and why they're working.
- Writing Checklist:** 10 different resume writing checklists with 10 experience levels (1-10) for reference.
- Resume Templates:** My consulting resume template that "teaches" you to emphasize the correct things to put on your resume and a proven approach to make your best possible resume.
